

## Face To Face

Verse reps ||: G Am D G :||

(Verse 1)

I've seen the sun rise in the East  
I've seen the moon full of blue cheese  
I've seen clouds that look like cotton  
I've seen my baby boys appear

(Verse 2)

I've been in the bustle of New York at noon  
I've felt the Rock Mountain high  
I've been amazed at God's creation  
But I can't wait to say goodbye

(Verse 3)

I've felt the soppy mist of Niagara  
I've been on top of Mt. Rushmore  
I've dance among the wolves of Oklahoma  
And walked along the Jersey Shore

Creation speaks of endless glory  
Four our Lord who sits on high  
I'm amazed at every single turn  
But I can't wait to say goodbye, because...

*Chorus*

(Verse 4)

I've seen the hope of unbelievers  
Fall in desperate need of grace

But I've seen the faith of true believers  
Faith that works to do God's will  
They have a life of full fulfillment  
Their life speaks of their reward, they say...

*Chorus*

*Chorus:*

Am D  
I hope to see my savior coming  
Am D  
I hope to meet him in the clouds  
Am D  
I want to see him up in Heaven  
Am C9  
I want to see him face to face
