Go Fish

Verse 1:

```
          D/G                   Am
Get out your (favorite) hat and your tackle
          Bm9                   Am
It's time to spend some time with the Son
                D/G                   Am                   Em9    Abar
Why don't we just relax in the cool breeze and have a little fun
        D/G                Am
Let's go splash around in the water
        Bm9               Am
Let's wade in the clear blue tide
            D/C               Am            Em9    C9
Let's get up to our waist in the mission of Jesus Christ
        F                   G
It's a big big world out there
        F               Em9
It's a great big ocean, oh
            A7                              C9
But there's no better time than right now to throw out your line
And go fish
```

Chorus:

```
G      D         C
Na na na na na na na na. . . Go fish
Na na na na na na na na . . . Go fish
Na na na na na na na na . . . Go fish
Na na na na na na na na . . . Go fish
```

Verse 2:

There are so many people hurting
So many people lost
There are so many people just wasting away without Christ
Are you up for the challenge
Will you go out to the ocean with me
Won't you cast out your heart to the hopeless
So they can be free, just like you and me
There's no better love to be given
Than to lay down your life for a friend
Won't you take up your cross and follow him
Out to the waters, and go fish
