

Hayden & Yellow Bear (Hayden's Song)

C Am D G (over and over again)

Chorus:

Hayden and his yellow bear
They go together everywhere
Off to school or out to play
They stick together everyday

In the morning, rain or shine
Bear and Hayden are ready to dine
A glass of milk and a bowl of cereal
Gets them ready for the first big thrill of the day

Em A7

Watchin' their favorite TV show
With imaginations aglow

G Em

There's so much more they need to explore

A7 D

So on their feet and soon they're out the door

Chorus

When it's sunny and warm outside
Bear and Hayden go down the slide
Then they climb the rope to the top of the tower
Before you know it they're slidin' back down to the ground
Where they start diggin' a hole
And dig and dig and dig until they are told
It's time to come in before your lunch get's cold
It's just a great day to play with the sun so golden

Chorus

At two o'clock in the afternoon
It's time for a nap in their bedroom
So the shades are pulled and the lights are turned out
They snuggle in and begin to dream of a
Fire-breathin' dragon coming' after them
They bravely pull they're swords and do him in
Just in time to save the princess, and then
They wake up and slay that dragon all over again

Chorus

When it's time to go to bed
They stay awake till their eyes are red
Then they tippy-toe right down the stairs
And when they think that no one's aware
They sneak a cookie out of the jar
And maybe nibble on a candy bar
But mom and dad see who they are
And those two, they don't get very far...aw man
Chorus
