Heaven Is Yours

(Capo 2; play in G)

Intro: G D/F# G/B C

```
                G          D/F#
Child, I know you're tired
                Em      C
From your heavy load
                G       D/F#
Come with me and rest
                Em   D  C
Come sit beside the road
D               Em      C
Set down your burden
                D
Drink from the well
                Em      C
Let go of your worries
                D
Let go of yourself
```

```
                G               D/F#
I will not condemn you
                Em      C
When you come to me
                G       D/F#
I am here to help you
                Em      D   C
When you call on me
D               Em    C
I will not leave you
                D
When you feel ashamed
                Em    C
Trust in my mercy
                D
Trust in my grace
```

```
            G               D/F#
When you believe in me
         G/B   C       G/B  C
Heaven is yours
D               G           D/F#
When you believe in m
         G/B    C      G/B   C
You can feel secure
Am                  Em              D                C  G/B   C
There's no force in all the earth that can overcome my love
                G          D
When you believe in me
            G     (bridge: Am   G/B   C)
Heaven is yours
```

Bridge:

```
D               Am                  D
The power of Heaven, the Spirit of God
                    Am                  D
His Kingdom Eternal, His everlasting love
                Am                  G/B
It's all for the taking, I'll give it to you
                C                   D
Forever and ever, Forever and ever
```
